Dear Sam

Planning Application 2022/3752
81 Medfield Stret, Roehampton SW15

The Putney Society as the amenity society for Roehampton as well as Putney, wishes on balance to support this application.

Raising the side addition is consistent with, if not as nicely playful, as that on No.79 and will replace an out of place parapet wall. We would suggest however that the new window might instead echo the gothic pointed top of all the other 1st floor windows in this group.

The application says nothing about the run down front fence and out of place parking space. Is it too much to hope for the front garden to be reinstated. That would do more to benefit biodiversity than bee bricks.

Yours Sincerely

Andrew Catto
