Dear Sam

Planning Application 2022/4346
Railings in front of 8 Lifford Street SW15

The Putney Society wishes to commend this application.

We know that some years ago one of the residents in Lifford Street took the time to agree with the council's conservation team a design of railing for the small front yards in Lifford Street based on the originals sadly taken for scrap in the 1940's.

It has been heartening to see successive neighbours willing to incur the cost of reinstatement, helping to restore unity and the one distinctive element in a street of otherwise simple houses. Other streets should take note.

Yours Sincerely

Andrew Catto
