Dear Sirs

**Planning Application 2023/1915
Carlson Court, 116 Putney Bridge Road**

The Putney Society is concerned that this application, which is NOT 'Non-material' and but is an attempt to by-pass the Planning Applications Committee and make legitimate works which were refused consent as 2022/4100 by the Committee in on 23 January this year. Why else, when almost every other application is decided late due to staff shortages, has this been given an 'expiry date' only three weeks after registered?

As such we OBJECT to this application and request that the Council treats this as what it is, and request for full planning consent for a large five storey building behind a partly retained facade.

Yours Sincerely

Ανδρεω Χαττο

Buildings Panel Convenor
